The Elms
London Road | Warmley | BS30 5NA

The Elms

Conveniently located between Bath and Bristol on Siston Common in the sought-after area of Warmley, this charming family home was thoughtfully designed and built by the current owners to their dream specification.

- Detached family home
- Three/four bedrooms
- Kitchen/breakfast room
- Family bathroom
- Orangery
- Garage

Set back from the road on a generous plot rich in agricultural heritage, the property rises from the foundations of a former farmhouse. Spanning two floors, it features three bedrooms, a separate studio, and a double garage. The enchanting grounds form a private haven, complete with a large fishpond, romantic folly, sunlit terrace with a covered dining area. 'One Sunday, we came across the rundown farmhouse listed for auction and instantly fell in love with the plot – its setting, position, and location so close to Cotswold towns and vibrant cities,' say the owners. 'We saw so much potential and were thrilled when our bid succeeded.' Over the past 25 years, they have poured time, energy, and resources into transforming it into a truly unique home – now ready for someone new to love and cherish. Following a traditional layout with bedrooms upstairs and main living areas below, the home features standout highlights including a spectacular domed-ceiling orangery that glows beautifully at night, and a generously sized principal bedroom with a balcony offering sweeping views over the garden. 'These are my favourite spaces to spend time, whether it's enjoying a morning coffee as the countryside comes to life, or unwinding with family in the evening,' they share with a smile. While this home offers a peaceful retreat from the hustle and bustle of daily life, one of its key advantages is its proximity to the M4 motorway, ensuring effortless travel and commuting.

'The front of the property is gated and looks out over the beautiful common, with ample parking both private and off-road.'

'We transformed the garden from rundown to immaculate, adding beautiful features and mature planting, all with lovely views across the neighbouring orchard – it feels blissfully peaceful now.'

'We included three sets of French doors to create a seamless flow between the house and garden.'

'The Elms has three bedrooms, but the largest is spacious enough to divide into two – ideal for a growing family.'

'The neighbours are very friendly, and local pubs and village halls create a good sense of community.'

'The Elms has been a place of joy for generations of our family and friends and many happy celebrations have spilled onto the lawn and a marquee.'
